

INDICATIVE LIST OF MAJOR PROJECTS FOR SOP ENVIRONMENT

Priority Axis 1 “ Extension and modernization of water/waste water systems”

Cohesion Fund Financing

No	Project location	Title
1	<i>Teleorman</i>	Modernization of water/waste water infrastructure in main agglomerations of Teleorman county
2	<i>Giurgiu</i>	Modernization of water/waste water infrastructure in main agglomerations of Giurgiu county
3	<i>Calarași</i>	Modernization of water/waste water infrastructure in main agglomerations of Calarasi county
4	<i>Tulcea</i>	Modernization of water/waste water infrastructure in main agglomerations of Tulcea county
5	<i>Brașov</i>	Modernization of water/waste water infrastructure in Brasov county
6	<i>(Turda, Câmpia Turzii) area Cluj county</i>	Modernization of water/waste water infrastructure in Turda –Campia Turzii area, Cluj county
7	<i>Mediaș, Agnita, Dumbrăveni, Copșa Mică area Sibiu county</i>	Modernization of water/waste water infrastructure in Mediaș, Agnita, Dumbrăveni, Copșa Mică area, Sibiu county
8	<i>Gorj</i>	Modernization of water/waste water infrastructure in main agglomerations of Gorj county
9	<i>Cluj-Sălaj</i>	Modernization of water/waste water infrastructure in main agglomerations of Cluj and Salaj counties
10	<i>Olt</i>	Modernization of water/waste water infrastructure in main agglomerations of Olt county
11	Covasna	Extension and modernization of water/waste water system in Covasna county
12	Harghita	Extension and modernization of water/waste water system in Harghita county
13	Dâmbovița	Extension and modernization of water/waste water system in Dambovita county
14	Iași	Extension and modernization of water/waste water system in Iasi county
15	Timiș	Extension and modernization of water/waste water system in Timis county
16	Alba	Extension and modernization of water/waste water system in Alba county
17	Prahova	Extension and modernization of water/waste water system in Prahova county
18	Mureș	Extension and modernization of water/waste water system in Mures county
19	Satu Mare	Extension and modernization of water/waste water system in Satu-Mare county
20	Neamț	Extension and modernization of water/waste water system in Neamt county
21	Vâlcea	Extension and modernization of water/waste water system in Valcea county
22	Buzău	Extension and modernization of water/waste water system in Buzau county

No	Project location	Title
23	Bacău	Extension and modernization of water/waste water system in Bacau county
24	Jiu Valley Hunedoara county	Extension and modernization of water/waste water system in Jiu Valley, Hunedoara county
25	Fagaras area Brasov county	Extension and modernization of water/waste water system in - Fagaras area, Brasov county
26	Arad	Rehabilitation and modernization of water/waste water system in Arad county
27	Bistrița-Năsăud	Rehabilitation and modernization of water/waste water system in Bistrita county
28	Dolj	Rehabilitation and modernization of water/waste water system in Dolj county
29	Galați county	Rehabilitation and modernization of water/waste water system in Galati county
30	Ialomița	Rehabilitation and modernization of water/waste water system in Ialomita county
31	Ilfov	Rehabilitation and modernization of water/waste water system in Ilfov county
32	Mehedinți county	Rehabilitation and modernization of water/waste water system in Mehedinti county
33	Vrancea	Rehabilitation and modernization of water/waste water system in Vrancea county
34	Constanța	Rehabilitation and modernization of water/waste water system in Constanta county
35	Brăila	Rehabilitation and modernization of water/waste water system in Braila county
36	Sibiu	Rehabilitation and modernization of water/waste water system in Sibiu county
37	Bihor	Rehabilitation and modernization of water/waste water system in Bihor county
38	Maramures	Modernization of water/waste water infrastructure in Maramures county
39	Hunedoara	Modernization of water/waste water infrastructure in Hunedoara county
40		
41	Suceava	Modernization of water/waste water infrastructure in Suceava county
42	Caras - Severin	Modernization of water/waste water infrastructure in Caras Severin county
43	Arges	Modernization of water/waste water infrastructure in Arges county
44	Botosani	Modernization of water/waste water infrastructure in Botosani county

Note: For the counties Galati and Mehedinti, 2 regional projects were foreseen initially, but in the present, we reconsider and we will implement only one regional project for each county.

Priority Axis 2 “Development of integrated waste management systems and rehabilitation of historically polluted sites”

ERDF Financing

No.	Project	Title
1	Giurgiu	Integrated solid waste management system in Giurgiu county
2	Maramureş	Integrated solid waste management system in Maramures county
3	Bistriţa-Năsăud	Integrated solid waste management system in Bistrita-Nasaud county
4	Vrancea	Integrated solid waste management system in Vrancea county
5	Harghita and Covasna	Integrated solid waste management system in Harghita and Covasna counties
6	Alba	Integrated solid waste management system in Alba county
7	Botoşani	Integrated solid waste management system in Botosani county
8	Călăraşi	Integrated solid waste management system in Calarasi county
9	Cluj	Integrated solid waste management system in Cluj county
10	Olt	Integrated solid waste management system in Olt county
11	Sălaj	Integrated solid waste management system in Salaj county
12	Suceava	Integrated solid waste management system in Suceava county
13	Vaslui	Integrated solid waste management system in Vaslui county
14	Caraş Severin	Integrated solid waste management system in Caras-Severin county
15	Timis	Integrated solid waste management system in Timis county
16	Arad	Integrated solid waste management system in Arad county
17	Mures	Integrated solid waste management system in Mures county
18	Sibiu	Integrated solid waste management system in Sibiu county
19	Dolj	Integrated solid waste management system in Dolj county
20	Neamt	Integrated solid waste management system in Neamt county
21	Prahova	Integrated solid waste management system in Prahova county
22	Buzău	Integrated solid waste management system in Buzău county
23	Brăila	Integrated solid waste management system in Brăila county
24	Ialomiţa	Integrated solid waste management system in Ialomiţa county
25	Constanţa	Integrated solid waste management system in Constanţa county
26	Tulcea	Integrated solid waste management system in Tulcea county
27	Iaşi	Integrated solid waste management system in Iaşi county
28	Arges	Integrated solid waste management system in Arges county
29	Bacau	Integrated solid waste management system in Bacau county
30	Galati	Integrated solid waste management system in Galati county

Priority Axis 3 “ Reduction of pollution caused by district heating systems in most affected localities”

CF Financing

No.	Project	Title
1	Timișoara	Rehabilitation of district heating system in Timisoara municipality
2	Iași	Rehabilitation of district heating system in Iasi municipality
3	Bacău	Rehabilitation of district heating system in Bacau municipality
4	Focsani	Rehabilitation of district heating system in Focsani municipality
5	Resita	Rehabilitation of district heating system in Resita municipality
6	Botosani	Rehabilitation of district heating system in Botosani municipality
7	Oradea	Rehabilitation of district heating system in Oradea municipality
8	Govora	Rehabilitation of district heating system in Govora municipality
